Eligible Person: An individual is eligible for Coverage if he or she is covered under a Primary Health Benefit Plan and in an Eligible Class as defined by the Policyholder and if he or she satisfies any Eligibility Waiting Period as defined by the Policyholder.

Dependent Coverage then becomes effective under the other Spouse's or Domestic Partner's Coverage.

When do You enroll?

Enrollment is when an Eligible Person completes an Enrollment Form giving the information We require. As the Eligible Person, if You are required to pay all or part of the Premium for Coverage, You must acknowledge Your permission to the Policyholder to withhold such Premium from Your Pay. The enrollment for Coverage may be written or electronic on an Enrollment Form furnished or approved by Us.

Eligible Person: An Eligible Person who has met all eligibility requirements of the Policyholder may enroll at any time throughout the Plan Year. The Enrollment Form must be completed and Signed on or before the desired Effective Date of Coverage.

The form may be obtained from the Policyholder. Insurance will not be effective to You before the first Premium is paid.

Subject to Your enrollment and payment of any Premium due, insurance is effective at 12:01 AM at the main office of the Policyholder on Your first day of Coverage:

1. The first of the month following the date an Eligible Person enrolls if an Eligible Person enrolls for Coverage after the Policy Effective Date.

Notwithstanding the above, if You are not Actively at Work on the date Your insurance Coverage would begin, Your insurance will begin on the date You come back to Active Work.

If You acquire additional Dependents after Your Effective Date of Coverage and have Dependent Coverage, and provided You enroll Your Eligible Dependents as indicated above, the Effective Date of the newly acquired Dependents will be the date We accept the new enrollment, subject to timely payment of any Premium due.

If You acquire additional Dependents after Your Effective Date of Coverage and do not have Dependent Coverage, and provided You enroll Your newly Eligible Dependents as indicated above, the Effective Date will be:

1. for Your Spouse or Domestic Partner, the first of the month following the event causing eligibility;
2. for all other Eligible Dependents, the first of the month following the date You enroll such Dependent; subject to payment of any Premium due. If Your Dependent is enrolled as a result of a court or administrative order, Coverage for such child shall take effect on the first of the month following the date of the order, if We are notified in accordance with our enrollment guidelines once the required Premium, if any, has been paid.

3. Proof of such incapacity and dependence is given to Us by a Doctor within 31 days of the date the child reaches the limiting age. Proof must also be given to Us annually thereafter. Coverage will continue as long as the Dependent continues to be so incapacitated and Dependent, unless otherwise terminated in accordance with the terms of the Policy.

Notice Required When Your Coverage Terminates: We must be informed within 30 days of the date Your Coverage terminates for any reason. Failure to provide timely notice will not continue Your insurance past the time it would have otherwise ended as provided above. In the event Premiums have been paid to Us on Your behalf after Your Coverage should have terminated, We will refund the Premium for the period for which Premiums were paid in error up to a maximum of 3 Policy months or to the last Policy Anniversary, whichever is less. If We are not notified that Your Coverage is terminated and We pay any Benefits for Your Covered Expenses incurred after the date Your Coverage terminated, You will be responsible for payment

of all Premiums due through the Policy month in which Benefits were paid.

Will Benefits be extended beyond the termination date for any reason?

This provision applies if a Covered Person is Hospital confined or Totally Disabled on the termination date of the Policy, unless termination is due to nonpayment of Premiums. 1. the Covered Person has incurred Covered Charges before the termination date; and
2. any Hospital confinement or Total Disability begins before the termination date. No further Premium payment is required to qualify for this extension of benefits.

2. 60 days after You receive notice of the continuation right from the Policyholder's designated plan administrator.

You must pay the initial premium due to the Policyholder's designated plan administrator within 45 days after electing continuation.

Terminating events for COBRA continuation coverage: COBRA continuation under the Policy will end on the earliest of the following dates:

1. 18 months from the date continuation began, if Your Coverage ended because employment was terminated or hours were reduced as described above. If You are disabled at any time during the first 60 days of COBRA coverage, beginning on the day after termination of employment or reduction in hours, continuation Coverage may be extended to a maximum of 29 months. You must give notice of Your disability within 60 days after the determination of the disability, and in no event later than the end of the first 18 months, in order to extend Coverage beyond 18 months. If You provide such notice, Your Coverage may be extended up to a maximum of 29 months from the date of such qualifying event or until the first month that begins more than 30 days after the date of any final decision that You are no longer disabled. If You are disabled but have non-disabled family members who are entitled to COBRA continuation coverage, those non-disabled family members are also entitled to the 29-month disability extension. You must provide notice of any final determination that he or she is no longer disabled within 30 days of such determination;
2. 36 months from the date continuation began for a Dependent whose Coverage ended because of Your death, divorce from You, loss of eligibility by a Dependent Child or entitlement of the Eligible Person to Medicare benefits, in accordance with Qualifying Events described in items 2-6 above;
3. The date Coverage terminates under the Policy for failure to make timely payment of the Premium;
4. The date coverage is obtained under any other Group health plan. If such coverage has a limitation or exclusion with respect to a Covered Person's pre-existing condition, continuation will end on the date such limitation or exclusion ends. The other Group health coverage shall be primary for all health care except health care which is subject to the pre-existing condition limitation or exclusion. If the other Group health plan's pre-existing condition limitations or exclusions cannot be applied because of the restrictions under the Health Insurance Portability and Accountability Act of 1996, then COBRA continuation will end on the date You became covered under the other Group health plan;
5. The date a Covered Person becomes entitled to Medicare, except that this will not apply if the Coverage was terminated because the Policyholder filed for bankruptcy, in accordance with Qualifying Event in item 6 above;
6. The date the Policy terminates; or

7. The date Coverage would otherwise terminate under the Policy.

If Your Coverage ended because employment was terminated or hours reduced as described in item 1 of Qualifying Events and during the 18-month continuation period a second Qualifying Event occurs, Your Coverage may be extended up to a maximum of 36 months. The 36-month period starts from the date Coverage ended due to the first Qualifying Event. If You are entitled to continuation because the Policyholder filed for bankruptcy, as described in item 6 of the Qualifying Events and You, if retired, dies during the continuation period, the Dependents are entitled to continue Coverage for 36 months from the date of death. Terminating events 2-7 above shall apply during any extended continuation period.

A Dependent whose continuation Coverage terminates because the Eligible Person becomes entitled to Medicare should contact the Policyholder's designated plan administrator for information regarding an extension of continuation Coverage for an additional period of time.

1. 30 days after the date Your Coverage would otherwise terminate, if the Policyholder notified You of the right of continuation prior to such date; or

CLAIMS PROVISIONS

Submitting Claims and Receiving Reimbursement

How and when to submit a claim:

For Covered Persons under an in-force Policy, written notice of claim must be given to Us within 365 days after the date of loss. Upon receipt by Us of the request for claims forms, We will send Claim forms to the Claimant or You. If such forms are not sent to You or the Claimant within 15 days, You or the Claimant will meet the Proof of Loss requirements below if We are given written proof of the nature and extent of the loss.

For Covered Persons under a terminated Policy, except in instances where We have pended a claim received during the Policy Year, in order to be eligible for benefits, any proof of claim incurred during the prior Policy Year must be filed, submitted or otherwise provided to Us within 90 days of the prior Policy's termination date.

Proof of Loss: Proof of loss includes a medical claim form and a copy of the Primary Health Benefit Plan's explanation of benefits. We will not deny or reduce any Claim filed after the dates specified in the "How and when to submit a claim" provision above, if:

1. it was not reasonably possible to file the Claim within that period.
2. the Claim is filed as soon as it is reasonably possible.

In any event, Proof of Loss must be given to Us no later than the first anniversary date after it is due, unless You are legally incapable of doing so.

What if additional information is required? If the Proof of Loss provided does not contain all necessary information or is not on an appropriate Claim Form, forms for filing Proof of Loss will be sent to the Claimant along with a request for the missing information.

When will the Claim be paid? After receiving written Proof of Loss and Premium payment, We will immediately pay all Benefits then due for Covered Charges directly to You or Your Provider. We will notify You in writing of the acceptance or denial of a claim not later than the 15th business day after the date We receive all items, statements, and forms required by Us to secure final proof of loss. If a claim is denied by Us, the notice will state the reasons for the denial. If We are unable to accept or deny the claim within the specified time period, We, within that same period, will notify You of the reasons that We need additional time. We will accept or deny the claim not later than the 45th day after the date We notify You.

All payments made to or by Us will be made in United States dollars.

What if there is an overpayment of Benefits? We reserve the right to deduct from any Benefits properly payable under the Policy the amount of any payment that has been made:

1. in error; or
2. pursuant to a misstatement contained in a Proof of Loss; or
3. pursuant to fraud or misrepresentation made to obtain coverage under the Policy within 2 years after the date such Coverage commences; or
4. with respect to an ineligible person; or
5. pursuant to a Claim for which benefits are recoverable under any policy or act of law providing coverage for occupational injury or disease to the extent that such benefits are recovered.

Such deduction may be against any future Claim for Benefits under the Policy made by a Covered Person if Claim payments previously were made with respect to a Covered Person.

Such deduction shall not be made more than twenty-four (24) months after Benefits are paid with respect to a Covered Person except payment made because of fraud committed by a Covered Person or by a provider; or if the Covered Person or provider has otherwise agreed to make a refund of the claim overpayment.

Payment to Conservator Other Than Group Member

We may pay benefits on a child's behalf to a person who is not the Insured Person if an order providing for the appointment of a possessory or managing conservator of the child has been issued by a court in the State or Other Jurisdiction of Issue stated in the Policy.

A person who is not an Insured Person is entitled to be paid benefits under the Policy only if the person presents to Us, with the written notice of claim:

1. written notice that the person is a possessory or managing conservator of the child on whose behalf the claim is made; and
2. a certified copy of a court order designating the person as possessory or managing conservator of

the child or other evidence designated by rule of the Insurance Commissioner that the person is eligible for the benefits.

Coverage under the Policy will be terminated for such Covered Person, and any other person in the same family unit, whose coverage under the Primary Health Benefit Plan has been terminated. Such Covered Person(s) will not be entitled to any Extensions or Continuations described in Section 5, except COBRA Continuation, where applicable.

Assignment

You may assign the Benefits of the Policy to the Provider rendering health care services. You may not assign the Policy in any other way or to any other person. We must be notified in Writing of the assignment. The assignment will not be effective until we receive the Written notice. We assume no responsibility for the validity of any assignment.

Changes to Policy

The Policy may be amended at any time by written agreement between the Policyholder and Us, without the consent of or notice to any other individual. Any amendment to the Policy must be in Writing and be attached to it. The amendment must bear the signature or a reproduction of the signature of an officer of the Company.

If an employee who is otherwise eligible for insurance is not Actively at Work on the Effective Date of the amendment, the effective date with respect to that employee will be on the date that he or she is again Actively at Work. However, if the amendment reduces the amount of insurance to which the employee is entitled, the effective date will be the effective date of the amendment.

Incontestability - Time Limit on Certain Defenses

We will not use misrepresentations made by You in a written application to contest the validity of the insurance with respect to which such statement was made, after such insurance has been in force prior to the contest for a period of two years during Your lifetime, unless the misrepresentations are fraudulent. This

section does not prevent Us from using at any time a defense based on:

1. non-payment of Premium; or
2. any other provision of the Policy; or
3. any other defense that is allowed by law.

If You apply to add additional Covered Persons, the incontestable period with respect to newly added Covered Persons is for two years from such Covered Person's effective date. If You apply for increased Benefits under the Policy, We will not use misrepresentations made by You in a written application for such increase to contest the validity of the increased insurance with respect to which such statement was made, after such increase has been in force prior to the contest for a period of two years from the effective date of the increase.

Errors

You must be properly insured under the Policy. An error or omission by the Policyholder or by Us will not cause You to become Insured. An error or omission by the Policyholder or by Us will not cancel insurance that should continue nor continue insurance that should end. The requirements of the Policy must be properly met for any change in the amount of Your insurance to take effect. We have the right to full recovery of any overpayments made. Such reimbursement will be required regardless of whether the overpayment occurred due to an error by Us, or by You, Your representative, Your beneficiary, or the Policyholder.

Legal Actions

No action shall be brought to recover on this policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of six years after the time written proof of loss is required to be furnished.

Misrepresentation

Any statement You make in an application to become insured is a representation and not a warranty. No representation made by You in an application to become insured will be used to reduce or deny Your Claim or contest the validity of Your insurance unless:

1. Your insurance would not have been approved except for Your misrepresentation; and
2. Your misrepresentation is contained in a written instrument Signed by You; and
3. We give You or Your representative a copy of the written instrument that contains Your misrepresentation.

Misstatement of Age or Fact

If a Covered Person's age or any other fact was misstated, We will use the correct facts to determine whether he or she is insured and if so, for what amount and duration. We will adjust Premium rates to the Covered Person's correct age. We may make this change back to the date Coverage became effective based on the misstated information.

Notice to Policyholder

Written notice given by Us to an authorized representative of the Policyholder shall be deemed notice to all affected Covered Persons in the administration of the Policy, including termination of the Policy and termination of individual Coverage under the Policy.

Workers' Compensation Not Affected

The Policy does not replace or change any requirement for coverage under workers' compensation insurance.
